

September 28, 2010

Kurt Krempetz
Particle Physics Division
MS 219

Dear Kurt,

With this letter, I am asking you to serve an indefinite term as chair of the newly formed Superconducting Radio Frequency (SRF) Review panel. This panel is specifically assigned to review SRF cavities. This panel's responsibilities are outlined in FESHM 5031.6 (attached).

Thank you in advance for agreeing to serve in this important capacity.

Sincerely,

A handwritten signature in black ink, appearing to read "Nancy L. Grossman", written in a cursive style.

Nancy L. Grossman
ES&H Director
