Dr. Bruce L. Chrisman
Chief Operating Officer
Fermilab
P.O. Box 500
Batavia, IL 60510

Dear Dr. Chrisman:

SUBJECT: CERTIFICATE OF APPRECIATION FOR SUPPORT TO THE ENERGY
EMPLOYEES OCCUPATION ILLNESS COMPENSATION PROGRAM ACT
(EEOICPA)

Reference: Memorandum, P. Worthington to Distribution, dated November 15, 2010,
Subject: Same As Above (enclosed)

Please distribute the certificates enclosed to your staff for their contribution in fulfilling DOE's responsibilities under EEOICPA.

Over the past 10 years your staff has been assisting the Department of Energy (DOE) Office of Health, Safety and Security (HSS) in consolidating all available worker and facility records and data per request. The submittals are reviewed by the Department of Labor (DOL), the National Institute for Occupational Safety and Health (NIOSH), the Advisory Board on Radiation and Worker Health (ABRWH), or the Department of Justice. The records serve as the basis for DOL and NIOSH decisions regarding claim adjudication.

Fermi Site Office also recognizes the Laboratory's commitment to the health and well-being of DOE's current and former workers.

If you would like more information about the benefits available under the EEOICPA, please visit: <http://www.hss.energy.gov/HealthSafety/FWSP/Advocacy/>. If you have questions, please call Berline Short, of my staff, at extension 4197.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Bollinger".

Mark E. Bollinger
Acting Site Manager
