Memorandum

January 2, 2015

To: File
From: Martha Michels *mm*
Subject: Updated QAM Chapter 12030 – iTrack Procedures and Risk Assignment

This QAM Chapter has been updated to reflect upgrades to the iTrack system, updated risk assignment tables, and clarification of iTrack usage.

There were no changes to technical content. This chapter did not go out for lab-wide review and does not require Directorate approval.
