

Memorandum

November 14, 2006

To: Bruce Chrisman
From: William Griffing 
Subject: Revised FESHM Chapter 5010 – Environment, Safety and Health and National Environmental Policy Act Procurement Review

Enclosed you will find revised FESHM chapter 5010 – Environment, Safety and Health and National Environmental Policy Act Procurement Review. The following chapter has been updated to reflect "best management practices" that arose from a recent ORPS incident within the Technical Division. It was posted for site-wide review, and the comment resolution has been completed.

After final approval, please return this approval page to Elizabeth May at MS119 for posting on the web.
