Subject: Revised FESHM Chapter 7010 – ES&H Program for Construction

FESHM Chapter 7010 – ES&H Program for Construction has been revised as follows:

The ES&H Roles and Responsibilities pertaining to review and acceptance of Subcontractor's ES&H program have been modified and LOTO II and NFPA 70E training requirements have been removed from General Construction from Table 1 Qualifications Criteria. There were some corrections to grammar; the chapter was reformatted to comply with the new FESHM format and the acceptance/review form was removed.

This chapter went out for Lab-wide review and all comments were addressed. After final approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
