

## Memorandum

December 18, 2009

To: Bruce Chrisman

From: Nancy Grossman *mm for NGS*

Subject: Revised FESHM Chapter 8040.2 Specific Chemical Hazards

FESHM Chapter 8040.2 Specific Chemical Hazards has been revised. Significant changes include:

- Specification that FESS has the sole responsibility for pesticide application at the laboratory
- Update to the appropriate Illinois regulations covering pesticides
- Correction stating that FESS operators and applicators are licensed by the state, not certified. They hold commercial not-for-hire licenses

This chapter was out for labwide review and comments were addressed.

After final approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
