Re: FESHM 8060 – National Environmental Policy Act (NEPA) Review Program

FESHM 8060 has been updated as follows:

- Revised to reflect the centralization of ESH&Q
- Replaced Division/Section/Center with Division/Section/Project
- Replacement of references to “project” with “action.”

The chapter has gone through the labwide review process, all comments have been addressed, and it is ready for your review and approval.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print it out or contact Lisa and she will provide it to you.

Please return this signature page to Kristy Gibson at MS 119 after Directorate approval.
