To: File

From: Nancy Grossman

A handwritten signature in purple ink, appearing to be "N. Grossman", written over the printed name.

Subject: FRCM Chapter 7 – Radiological Records

This chapter has been modified to include a new article 782 – “Reports Required by the U.S. Department of Energy”. This chapter did not go out for Lab-wide review as it affects no other organizations at Fermilab and is work that is already being done. It does not require Directorate approval.
