

Memorandum

May 10, 2012

To: Bruce Chrisman
From: Nancy Grossman 
Subject: EFFECTIVE IMMEDIATELY: Revised FESHM Chapter 5101 – Personal Protective Equipment (PPE)

This chapter did not go out for Lab-wide review per FESHM 1050TA 5.6 and these changes are to be implemented immediately.

The following changes have been made to FESHM 5101 - Personal Protective Equipment Technical Appendix 5101TA.

- Section ^{3.2c} 2e ~~2e~~ has been updated to “working below machinery or processes that might cause material or objects to fall, including overhead lifts involving a crane or hoist”
- Section 3 has been updated to “Each employee shall wear protective footwear while working in areas where there is a danger of foot injuries due to falling and rolling objects, objects piercing the sole and electrical hazards, including overhead lifts involving a crane or hoist.”

After Directorate approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
