Mark Champion
Technical Division
MS 316

Dear Mark,

With this letter, I am asking you to serve an indefinite term as a member of the newly formed Superconducting Radio Frequency (SRF) Review panel. This panel is specifically assigned to review SRF cavities. This panel's responsibilities are outlined in FESHM 5031.6 (attached).

Thank you in advance for agreeing to serve in this important capacity.

Sincerely,

A handwritten signature in black ink, appearing to read "Nancy L. Grossman", written in a cursive style.

Nancy L. Grossman
ES&H Director
