Mr. Jack Anderson
Chief Operating Officer
Fermilab
P.O. Box 500
Batavia, IL 60510

Dear Mr. Anderson:

SUBJECT: NATIONAL ENVIRONMENTAL POLICY ACT (NEPA) DETERMINATION AT FERMILAB NATIONAL ACCELERATOR LABORATORY (FERMILAB) – VARIOUS DEMOLITION JOBS 2013 ADDENDUM

- References:
- 1) Letter, from M. Weis to J. Anderson, dated June 7, 2013, Subject: NEPA Categorical Exclusion (CX) Approval for Various Demolition Jobs 2013
 - 2) Letter, from J. Anderson to M. Weis, dated September 27, 2013, Subject: NEPA Addendum Request to CX Approval for Various Demolition Jobs 2013

I have reviewed Fermilab's request for an addendum to the CX for the Various Demolition Jobs in 2013 to include 25 Blackhawk, the Proton T&M Shop, and Trailer 173 at D-Zero. Based on the information provided in your letter, the demolition of these structures meets the CX found in 10 CFR 1021, Subpart D, Appendix B1.23, as amended in November 2011. Therefore, I have approved the CX addendum request.

No further NEPA review is required. If you have any questions, please contact Rick Hersemann, of my staff, at extension 4122.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Weis".
