Memorandum

June 13, 2014

To: Victoria A. White, COO

From: Martha Michels 

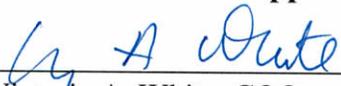

Subject: Updated FESHM Chapter 5049 – Grounding Requirements for Electrical Distribution and Utilization Equipment

This is the original release of Chapter 5049 which describes general grounding installation requirements for installations at Fermilab.

This chapter went out for lab-wide review; there was one comment which was addressed. After Directorate approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
