**Re:** FESHM 7070: Ladder & Scaffold Safety

---

This chapter has been updated as detailed below and sent for labwide review:

FESHM 7070 – Ladder & Scaffold Safety

- Revised ladder and scaffold content to meet revised OSHA Walking Working Surfaces regulations, including:
  - Adding documented annual ladder inspection requirement
  - Adding training requirements for ladder and scaffold users, and scaffold erectors
  - Changes to fixed ladder safety systems

All comments received during the review period have been addressed by Subject Matter Experts and the updated chapter is ready for approval and release.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print one out or contact Lisa and she will provide one to you. After Directorate approval, please return this approval page to Kristy Gibson at MS119 for posting.
