## Memorandum

January 30, 2012

**To:** File

**From:** Nancy Grossman 

**Subject: FESHM Chapter 1050 – Environment, Safety and Health Manual  
Procedures has been reviewed and updated by the author.**

This chapter now includes the new workflow and approval processes and clarifies responsibilities. The new FESHM Chapter format has also been added.

This chapter did not go out for Lab-wide review and does not require Directorate approval.
