## Memorandum

January 9, 2017

**To:** File

**From:** Martha Michels *mm*

**Subject:** FESHM 1050 – Environment, Safety & Health Manual Procedures

This chapter has been updated as follows:

- Added to Section 3.1, technical working group, ESH professionals and “ad hoc” subcommittees to reflect centralized ESH&Q organization

This chapter was updated and reviewed by Subject Matter Experts. It did not go out for lab-wide review and does not require Directorate approval.
