Re: FESHM Chapter 2070 – Environment, Safety, Health, and Quality Training

The chapter mentioned above was updated as detailed below and sent out for labwide review:

- Added ITNA Proxy description and associated process,
- Updated training revocation process requirements.

No comments were received during the review period so the updated chapter is ready for approval and release.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print one out or contact Lisa and she will provide one to you.

Please return this signature page to T.J. Sarlina at MS 119 after Directorate approval.
