

Memorandum

September 22, 2010

To: Bruce Chrisman
From: Nancy Grossman *mm for NLG*
Subject: Revised FESHM Chapter 5001 – Industrial Hygiene Program

FESHM Chapter 5001 – Industrial Hygiene Program; has been revised.

This chapter was revised to communicate the overall IH goals and expectations, and establish formal drivers and processes for conducting initial and periodic IH assessments and where necessary, exposure monitoring. A new IH Plan database was developed as part of this endeavor and is mentioned in the chapter. These changes are part of the Corrective Action Plan (CAP) deliverables for FSO AP Review of the Fermilab IH Baseline Exposure Assessment Program due by September 30, 2010.

This chapter went out for Labwide review and all issues were addressed. After final approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
