Re: FESHM 10130 – Slings and Rigging Hardware

FESHM chapter 10130 has been updated to assign the responsibility for oversight of the inspection and repair program for slings and rigging hardware to FESS.

The chapter has gone through the labwide review process, all comments have been addressed, and it is ready for your review and approval.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print it out or contact Lisa and she will provide it to you.

Please return this signature page to T.J. Sarlina at MS 119 after Directorate approval.
