Re: FESHM 6010 – Fire Protection Program

This chapter has been updated as detailed below and sent for labwide review:

FESHM 6010 – Fire Protection Program:

- Added the Technical Appendix 7 titled “Fire Protection Design Standards”. Changed ESH&Q to ES&H, and changed FPE to AHJ-FP. Added definition of pyrophoric materials & reference DOE Handbook 1081. Incorporated FESHM 6020.1, 6020.4, 6040.1, 6040.2, & 6040.3 into Technical Appendix 7 titled “Fire Protection Design Requirements.” Removed site-specific and made that a standalone document.

All comments received during the review period have been addressed by Subject Matter Experts and the updated chapter is ready for approval and release.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print one out or contact Lisa and she will provide one to you. After Directorate approval, please return this approval page to Kristy Gibson at MS119 for posting.
