Re: FESHM Chapter 7010 – Construction ES&H Program

The chapter mentioned above was updated to address the Office of Enterprise Assessment report recommendations. Major Highlights include:

- Formatted as an ES&H Construction Manual in line with the new 013100 *ES&H Requirements for Subcontractors*;
- Clarified safety expectations and documentation required on T&M and Fixed Price Construction projects.
- Added definition of Field Superintendent;
- Changed 30-Hour OSHA training from Competent Person to Field Superintendent;
- Updated requirements for Environmental Protection;
- Added QA/Safety Risk Form for all fixed price work;
- Correlated Procurement roles & responsibilities to match Procurement policies;
- Added the approved D/S Task Manager sheet.

After Directorate approval, please return this approval page to Jody Federwitz at MS119 for posting on the web.
