Re: FESHM Chapter 7010 – Construction ES&H Program

There was an update to this chapter to rename Beneficial Occupancy to Authorization of Use and Possession to match the new FESHM chapter 7005. Chapter 7005 replaces the FESS procedure on Beneficial Occupancy.

This chapter was updated and reviewed by Subject Matter Experts. It did not go out for lab-wide review and does not require Directorate approval. FESHM 7005 did go out for labwide review, has been extensively reviewed, and all comments have been addressed.
