Re: FRCM 8 – ALARA Management of Accelerator Radiation Shielding

This chapter has been updated as detailed below and sent for labwide review:

FRCM 8 – ALARA Management of Accelerator Radiation Shielding

- Editorial Changes to Article 812 to clarify expectations for origination of survey/alignment data for purposes of shielding assessment. This is reflected in the addition of a new sub article 812.6.
- Corrections to reference citations and associated web links in the appendices related to TM 1834.
- Replace “ES&Q Section” with the current “ES&H Section” at all appearances of the former following the reorganization of February 1, 2019.

All comments received during the review period have been addressed by Subject Matter Experts and the updated chapter is ready for approval and release.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print one out or contact Lisa and she will provide one to you. After Directorate approval, please return this approval page to Kristy Gibson at MS119 for posting.
