**SUBJECT: NOTICE OF PERMIT EXPIRATION**

The Generator Site Access Permit 0503003217, administered by the Utah Division of Radiation Control, will expire on 4/25/2012. If you wish to renew your permit, please submit your application and the application fee a minimum of thirty days before the permit's expiration. You may also print-out and mail in an on-line application with your permit fee (see web address below).

Sixty days prior to your permit's expiration, renewal and payment can be accomplished on-line at: <https://secure.utah.gov/gsap/gsap>. A password was issued with your permit. Your case-sensitive password is necessary to renew your permit on-line. Virtual-check payment is available for on-line payments (credit card payment is not available). If both the application and the application fee are received on-line, your permit can be renewed within three days.

**The Permit Fees in Effect:**

|  |                   |
|--|-------------------|
| <b>Generator Access</b>                | <b>\$2,500.00</b> |
| <b>Waste Processor/Waste Collector</b> | <b>\$7,500.00</b> |
