

**Memorandum**

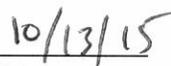

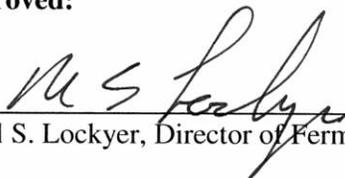

October 12, 2015

**To:** Timothy I. Meyer, COO**From:** Martha Michels **Subject:** FESHM Chapter 6013 – Facility Incident Reporting System (FIRUS)

Attached is Chapter 6013 and its related forms. This chapter has been updated to reflect the following:

As of July 8, 2015 dispatches for emergencies to the fire department will no longer be using Code 1, 2, 3 or 4 with the **exception of Code 5 (Radiation)**. The purpose is to follow the guidelines of the National Incident Management System (NIMS). During emergencies where multiple agencies (Fire, Police and Emergency Management) may be used for various reasons, it is recommended that plain English be used. According to the NIMS guideline
