

APR 24 2014

Ms. Victoria A. White
Chief Operating Officer
Fermilab
P.O. Box 500
Batavia, IL 60510

Dear Ms. White:

**SUBJECT: PRETREATMENT AND DISCHARGE OF METAL FINISHING RinSEWATERS –
 CITY OF BATAVIA WASTEWATER TREATMENT PLANT, PERMT NO. 2014-
 EP-58604**

**Reference: Permit, from A. Keller, Illinois Environmental Protection Agency (IEPA), to
 Department of Energy, dated April 16, 2014, Subject: Same as above**

Enclosed is Permit No. 2014-EP-58604 issued by IEPA for Pretreatment and Discharge of Metal Finishing Rinsewaters – City of Batavia Wastewater Treatment Plant. Please review the conditions under this permit to ensure compliance with those conditions.

The permit expires on March 31, 2019. If you have any questions, please contact Rick Hersemann, of my staff, at extension 4122.

Sincerely,
